Songs of Love - Brahms' Liebeslieder Waltzes

Our season finale is a performance of two of Johannes Brahms' most endearing compositions. Masterworks Chorale will perform Brahms' Liebeslieder Waltzer, Op. 52, and Neue Liebeslieder Waltzer, Op. 65 - two brilliant and charming folk song settings for singers and four-hand piano. The beauty of these two works is undeniable, and Brahms's sensitivity to the text is an art unto itself.
